Research Faculty Position
Center of Entrepreneurship at the College of Business and Economics
Qatar University

Qatar

Qatar is a major Gulf-area gas and oil producing country. It is an exciting place to be these days, as the country is witnessing unprecedented prosperity and activity in the business, construction, health, and education sectors. With developments including the arrival of many respected US universities as competition, the Education sector in particular has drawn applause as a rapidly progressing field, and Qatar University now has the privilege of setting the standard against such names as Cornell, Texas A&M, and Carnegie-Mellon, among others.

The University

Qatar University (QU) is an established and dynamic institution dedicated to academic excellence, and a strong contributor to educational advancement in the country. Recently, the University has been actively engaged in self-evaluation, instituting significant changes in its policies and procedures, curricula, research support, facilities, use of technology, and faculty. QU remains the largest and only state-supported university in Qatar. For more information, please visit our web page at: http://www.qu.edu.qa/

The College

The College of Business and Economics was established in 1985. It provides a high quality, applied business education in a collegial, intellectually stimulating, and supportive learning and working environment. Guided by the university reform plan and committed to innovative curriculum and continuous improvement, the college offers undergraduate and graduate business programs that connect theory to practice, promote critical thinking, and engage students in active and collaborative learning. The CBE is experiencing unprecedented expansion and growth and is thus seeking faculty who will become an integral part of this exciting phase. The College is accredited by AACSB-International.

The College is seeking to hire:

A Research Faculty in Entrepreneurship who has the ability to conduct research in the area entrepreneurship and the potential to attract external research grants. Applicants can be hired at the levels of assistant /associate/professor rank.

Requirements

1. Candidates must have a doctorate degree from an accredited university by the time they join the College.
2. Candidates should have an established research record in the field of entrepreneurship.

Application Deadline: Open till filled.
Preferred Start Date : August 31, 2015
